

Clean-Brite 240 - Neutral Cleaner and Degreaser

DESCRIPTION

Clean-Brite 240 is an excellent all-around liquid cleaner for most commercial and industrial applications. It is chemically mild, pH neutral and contains no solvents. Clean-Brite 240 is ideal for car washes, heavy equipment pressure-washing, automotive and industrial engine / parts degreasing, commercial laundries, and cleaning / degreasing floors and walls. It is biodegradable and non-hazardous. Cleaning and rinsing is quick and efficient, even at low temperatures and pressures. This formula prevents formation of spots, streaks or film on glass, chrome and painted metal.

DIRECTIONS

Clean-Brite 240 should be mixed with warm or hot water as follows:

Pressure-washing cars or trucks:	Use at 0.1 to 0.5 %.
Mopping or hand-cleaning floors, walls or painted surfaces:	Use at 1 to 2 %.
Hand or automatic car/truck wash:	Use at 1 to 2 %.
Laundry:	Use at 0.5 to 1 cup per load.

CAUTION

Clean-Brite 240 contains no hazardous materials; however, it is a powerful defatting agent. Prolonged skin contact will result in skin dryness.
