

## Clean-Brite 245 - Industrial Cleaner and Degreaser

### DESCRIPTION

Clean-Brite 245 is a multi-purpose cleaner / degreaser suitable for most heavy duty applications. Widely used in auto and truck repair, machine shops, metal fabrication, oil refineries, mining operations, and construction, Clean-Brite 245 removes oils, greases, waxes, road dirt and even carbon. It is biodegradable, non-hazardous to personnel, and safe for use on most surfaces.

### DIRECTIONS

Clean-Brite 245 should be mixed with warm or hot water as follows:

Heavy grease or oil:	(Engine degreasing) - use at 10 to 20 %
Floors and walls:	(Plant maintenance) - use at 1 to 5 % (Office maintenance) - use at 1 to 2 %
Heavy equipment:	(Washing, etc.) - use at 1 to 5 %
Pressure washing :	(Trucks, floors, equipment) - use at 0.1 to 1 %

### CAUTION

Clean-Brite 245 contains butyl cellosolve, which is a powerful defatting agent. Prolonged exposure to skin will cause dryness and irritation. Rubber gloves are recommended when using this product.
