

Clean-Brite 248 - Industrial Solvent

DESCRIPTION

Clean-Brite 248 is a two-component varsol-based solvent formulated to provide superior performance on all types of soils, stains, waxes, greases and oils. Works on water soluble stains as well as most oil type stains. Clean-Brite 248 has lower flammability, more controlled evaporation, lower odor and a wider range of uses than other varsol-based products.

DIRECTIONS

Clean-Brite 248 should be used full strength at 30 - 80 °F. Apply using a cloth, brush or spray. Wipe parts clean with a lint-free cloth.

CAUTION

Clean-Brite 248 contains Mineral Spirits. Use only in well ventilated areas. Avoid ingestion, prolonged inhalation, contact with skin, eyes and clothing. Keep away from sources of ignition. Store in a cool place in the original container.
